The Newsletter for Employees of Cargojet

SPECIAL HOLIDAY ISSUE

"A Holiday Message from the Executive Team"

We would like to thank each one of you personally for all of the efforts which have been made by you over the past year. The year has certainly passed by quickly and provided us, with great opportunities for growth and success. Our overnight network was re-launched in June, providing a more extensive domestic coverage for our customers. Today, we operate nine of our own aircraft, have bonded warehouses across the country and provide a first class service in the marketplace.

We are very pleased with the growth Cargojet has experienced over the last twenty months. However, we must continue to strive for future profitable growth to this end, we would request that you all make an extra effort in the New Year, to work towards keeping our costs down. If we all make a conscious effort to keep our costs in check and stay competitive, we can assure you the savings will benefit all of us at Cargojet.

Critical success factors such as on time performance, flexibility, teamwork, and going the extra distance for our customers will certainly make us an extremely attractive organization. We would like to assure you that we will achieve all of this with your help and participation in all areas of our organization.

While achieving this, we want to continue to operate a reliable and safe, network, which will be the envy of the industry.

The Company has many exciting plans for 2004, including expansion into the international market and continued growth on the domestic overnight network, which will be rewarding for each and every member of our Cargojet Team. We look forward to sharing these exciting plans with you in the New Year.

Please do not hesitate to contact us with your input or feedback of any sort that can improve our overall efficiency and performance.

On behalf of the Executive Team and The Advisory Board of Directors, we would like to take this opportunity to wish you and your family all the very best for the festive season. Much joy, happiness, peace and health to you all for the New Year.
