- Checking, testing, accepting fuel at the Tank Farm, as well as completing various mandatory regulated duties related to the operation of the Tank Farm.
- Report any abnormalities in equipment or equipment performance.
- Stay fluent on any new equipment or procedures.
- Obey and operate according to all airport procedures
- To operate any/all equipment for the duration of operation.
- Responsible for any/all equipment. (Condition, fuel, performance).
- Stay up to date on any equipment upgrades, changes, performance and policies.
- Perform other duties as required including and not limited to basic cleaning and maintenance related to fuel operation.
- Ability to lift 50 lbs overhead.
- Ensure fuel records and tickets are completed, filed correctly and that applicable records are forwarded to lead hand or administrator on duty.

Minimum Qualifications/Skills:

- Mandatory Operator training completed.
- Maintain valid AVOP.
- Excellent driving skills.
- Ability to drive in all weather conditions.
- Basic reading and writing skills High School Graduate or equivalent experience.
- Valid Class 5 Drivers License or equivalent.
- Ability to obtain a RAIC pass (Transport Canada Security Clearance).
- Ability to work within a "team first" environment, and complete common goals within time sensitive deadlines.
- Excellent punctuality, and attendance habits.
- Ability to learn quickly, and adapt to fast changing customer requirements.
- Ability to work with minimal supervision and/or independently.
- Willingness to take direction with a keen interest in further development within the operations.
- Strong written and verbal communication skills.
- Flexible to work shift work, weekends and stat holidays.
- Be willing to work outside.

Important to Know:

- Cargojet is an equal opportunity employer. We thank you for your interest. Only those candidates selected for an interview will be contacted.
- We are committed to providing accommodations for persons with disabilities. If you require accommodation, we will work with you to meet your needs.
- At Cargojet, we make safety the highest priority. Because of this priority and as we operate in a safety-sensitive environment, we require all employees to abstain from consuming Cannabis, in and outside of the workplace. This is a critical element of our drug and alcohol policy that all employees must comply with at all times.
